The Student Commission wants your suggestions! Do you have an idea, observation, or opinion that you know could help change Michigan Tech? Let your voice be heard by filling out the new online suggestion form. You can find the form, as well as more information at: http://www.mtu.edu/student-commission

More information about the Student Commission can be found at: http://www.mtu.edu/student-commission

Who we are

The Student Commission is a group of students, staff, and faculty that work together to enrich the student experience. They do this by eliminating or minimizing barriers that are inefficient or unproductive, and identifying areas where student experience can be improved. They work to create a more inclusive, efficient, and productive environment for all. They are committed to ensuring that every student has the opportunity to succeed at Michigan Tech.

Build a better Tech with the Student Commission:

You have a voice.

Michigan Technological University is an equal opportunity educational institution / equal opportunity employer.
