“Double Major”: BS CpE and EE Sample 5 year plan

Start in MA1160/61. EE3180 in place of MA3710. U.Chem & MA3160 for ma/sci. (PH2400)

Total credits vary by student due to starting courses and elective choices.

Note: Time conflicts may occur with this plan & adjustments may be necessary. Plan ahead as much as possible to avoid this.

Use ECP as primary major, EEE as secondary. Do not take: EE3171.

Required for BSEE: MA3160,EE3120,EE3140,EE3180, EE3161, EE3151,13 Cr EE electives, U.Chem. Take MA3710 if you cannot get EE3180 complete before EE3173

EE3180 may replace MA3710 on ECP, but MA3710 cannot replace EE3180 on BSEE.

13 credits of EE Electives include EE4173(3), and fulfills CpE technical electives.
