Title IX is a federal civil rights law prohibiting discrimination on the basis of sex in educational programs and activities.

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.”

We are committed to providing a safe campus environment supporting the Title IX federal law that prohibits discrimination on the basis of sex including gender discrimination, pregnancy and parenting discrimination, sexual harassment and sexual violence, dating violence, domestic violence, stalking, sexual assault, sexual battery, sexual coercion, and rape.

Get consent

Consent is seeking and receiving sexual activity with ongoing, expressed permission.

SPEAK UP! If you experience, witness, or are told something you are concerned about—report it.

Title IX coordinators are available to assist.
