Graduate Faculty Council

Draft Agenda

January 15, 2008

1. Review minutes of 12/4/07
2. Old Business
   a. More discussion on proposal for funding Graduate students (?)
3. New Business
   a. Election of tenured individual to serve on Performance Review committee for Jackie Huntoon.
   b. Leonard Bohman has developed a graduate certificate proposal, Certificate in advanced Electric Power Engineering (attached).
   c. International students who come here to work with faculty who end up being on sabbatical.
   d. Tess Ahiborn request to discuss funded graduate students that have external employment. For example, if a student is supported by a GTA or GRA, and has another job, how do department's handle this?
   e. Parental/maternal leave for graduate students? Is this something we want to examine?
