Graduate Faculty Council
Draft Agenda
February 19, 2008

1. Review minutes of 2/5/08
2. Old Business
   a. GFC-Senate pathway, J. Huntoon
   b. Discussion of proposals from last meeting
      1. A. Maclean, proposal for MS in Applied Geospatial Information Science
      2. E. Levin, proposal for MS in Integrated Geospatial Technologies
   c. Parental/maternal leave for graduate students? Is this something we want to examine?
   d. J. Perlinger, proposal to change definition of external reviewer on defense committee
   e. Tess Ahlborn request to discuss funded graduate students that have external employment. For example, if a student is supported by a GTA or GRA, and has another job, how do department's handle this?
3. New Business
   a. Discussion of orientation and any changes based on proposal from February
   b. Frequency of meetings
   c. Establish list of people willing to lead meeting in the event of the absence of the chair.
   d. Appoint GFC member to Graduate Research Integrity Investigative Committee (J. Polzein)
