YOUR EMPLOYEE
BENEFIT PLAN

MICHIGAN TECHNOLOGICAL UNIVERSITY

PUBLIC SAFETY OFFICERS
LONG TERM DISABILITY BENEFITS
CORE PLAN ONLY
EFFECTIVE JANUARY 1, 2002
We are pleased to present you with a Certificate of Insurance for group disability insurance. This Certificate states your benefits and summarizes some special services available to you at no additional cost. All of us appreciate the financial protection that group benefit plans provide in the event of illness or injury. Group disability insurance is an especially important benefit since it replaces a reasonable portion of your income lost due to a disability.

Your Employer recognizes the value of your services and the impact your absence can have on the organization. Therefore your benefit plan has been designed with a goal of rehabilitation and return to work in mind. The plan offers financial incentives for returning to work, while still receiving a benefit.

The benefits outlined in this Certificate are the foundation for comprehensive managed disability services. These special services focus on your abilities, versus a disability, and are available to you at no additional cost. They are tailored to meet your individual needs and are designed to help you to return to work as soon as possible. Managed disability services may also coordinate with other benefit programs in which you participate.

Your comprehensive disability program includes:

- **Financial Incentives** for returning to work.
- **Rehabilitation Program** that focuses on vocational rehabilitation, which means identifying the necessary training, therapy, job modifications and accommodations that can help you return to work.
- **Early Assistance Program** offering rehabilitation assistance both before and after you file a claim for Long Term Disability Benefits.
- **Social Security Assistance Program** to help make the Social Security Insurance application and approval process easier for you.
**Easy Claim Application Process** that may be started simply by calling an "800" claims hotline or sending us a claim form. Initial submission of the claim should be made no later than 12 weeks following your original date of disability or as soon as reasonably possible thereafter.

This Certificate is in an easy-to-read format and we urge you to read it carefully. We also recommend you keep it with your other important records for future reference. If you have any questions about the Certificate or the benefits it provides, please contact your Employer.

Utah residents please be advised of the following:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

· You must be a Utah resident.

· You must have insurance coverage under an individual or group policy.

POLICIES COVERED

· ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

· Coverage through an HMO.

· Coverage by an insurance companies not licensed in Utah.

· Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.

· Policies protected by another state's Guaranty Association.

· Policies where the insurance company does not guarantee the benefits.

· Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

**LIMITS ON AMOUNT OF COVERAGE**

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or $500,000 — whichever is lower. Other caps also apply:

- $100,000 in net cash surrender values.
- $500,000 in life insurance death benefits (including cash surrender values).
- $500,000 in health insurance benefits.
- $200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- $5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

EMPLOYEE ELIGIBILITY

Active Employee

You are an Active Employee if you:

1. are an Eligible Employee working for the Employer doing all the material duties of your occupation at (i) your usual place of business; or (ii) some other location that your Employer’s business requires you to be;

2. are a citizen or legal resident of the United States or Canada; and

3. are not a temporary or seasonal employee.

You will be deemed an Active Employee if:

1. you meet the above conditions; and

2. you are absent from work solely due to vacation days, holidays, scheduled days off, or approved leaves of absence not due to Disability.

Effective Date of Coverage

You will be covered on the later of the following dates:

1. your Eligibility Date as described in Plan Highlights; or

2. the date you meet the Active Employee requirements.
Continuity of Coverage upon Replacement of Plans

In order to prevent a loss of coverage because of a transfer of insurance carriers, This Plan will provide coverage for you if:

1. you were covered under the prior carrier’s plan that This Plan replaced at the time of transfer; and

2. you are an Eligible Employee and you are not an Active Employee.

Coverage will only be provided if the required payment toward the cost of your coverage is made to us.

The benefit payable will be that which would have been paid by the prior carrier had coverage remained in force, less any benefit for which the prior carrier is liable.

Changes in Amount of Monthly Benefit

The amount of your Monthly Benefit may change as a result of a change in your earnings or class. The new Monthly Benefit amount:

1. will take effect on the date of the change; and

2. will apply only to Disabilities commencing thereafter.

However, if you are not an Active Employee on the above date, the new Monthly Benefit amount will take effect on the date you are again an Active Employee.

Form G.24303-B
LONG TERM DISABILITY BENEFITS

A. Monthly Benefit

You will be paid a Monthly Benefit, in accord with Plan Highlights, if we determine that:

1. you are Disabled; and
2. you became Disabled while covered under This Plan.

Benefits will begin to accrue on the date following the day you complete your Elimination Period. Payment of the Monthly Benefit will start on the date one month after completion of the Elimination Period. Subsequent payments will be made each month thereafter. Payment is based on the number of days you are Disabled during each one month period.

After we determine that you are Disabled, your Monthly Benefits will not be affected by:

1. termination of This Plan;
2. termination of your coverage; or
3. any plan change that is effective after the date you became Disabled.

When Benefits End

Monthly Benefits will end on the earliest of the following dates:

1. the end of the Maximum Benefit Duration;
2. the end of the period specified in the Limitation for Disabilities Due to Particular Conditions;
3. the date you are no longer Disabled;
4. the date you fail to provide us with any of the information listed in Plan Highlights under Benefits Checklist;
5. the day you die;

6. the date you cease or refuse to participate in a Rehabilitation Program as described in Work Incentive; or

7. the date you fail to attend a medical examination requested by us as described in Medical Examination.

Elimination Period

Your Elimination Period begins on the day you become Disabled. It is a period of time during which no benefits are payable. Your Elimination Period is shown in Plan Highlights. You must be under the continuous care of a Doctor during your Elimination Period. You may temporarily recover from your Disability during your Elimination Period. If you then become Disabled again due to the same or related condition, you may not have to begin a new Elimination Period.

Temporary Recovery During Your Elimination Period

If you return to work for 30 days or less during your Elimination Period, those days will count towards your Elimination Period. However, if you return to work for more than 30 days before satisfying your Elimination Period, you will have to begin a new Elimination Period.

Temporary Recovery means you cease to be Disabled. During a period of Temporary Recovery you will not qualify for any change in coverage caused by a change in any of the following:

1. the rate of earnings used to determine your Predisability Earnings; or

2. the terms, provisions, or conditions shown in your Certificate of Insurance.
Definition of Disability

"Disabled" or "Disability" means that, due to sickness, pregnancy or accidental injury, you are receiving Appropriate Care and Treatment from a Doctor on a continuing basis; and

1. during your Elimination Period and the next 24 month period, you are unable to earn more than 80% of your Predisability Earnings or Indexed Predisability Earnings at your Own Occupation for any employer in your Local Economy; or

2. after the 24 month period, you are unable to earn more than 60% of your Indexed Predisability Earnings from any employer in your Local Economy at any gainful occupation for which you are reasonably qualified taking into account your training, education, experience and Predisability Earnings.

Your loss of earnings must be a direct result of your sickness, pregnancy or accidental injury. Economic factors such as, but not limited to, recession, job obsolescence, paycuts and job-sharing will not be considered in determining whether you meet the loss of earnings test.

For an employee whose occupation requires a license, "loss of license" for any reason does not, in itself, constitute Disability.

"Appropriate Care and Treatment" means medical care and treatment that meet all of the following:

1. it is received from a Doctor whose medical training and clinical experience are suitable for treating your Disability;

2. it is necessary to meet your basic health needs and is of demonstrable medical value;

3. it is consistent in type, frequency and duration of treatment with relevant guidelines of national medical, research and health care coverage organizations and governmental agencies;

4. it is consistent with the diagnosis of your condition; and
5. Its purpose is maximizing your medical improvement.

"Doctor" means a person who: (i) is legally licensed to practice medicine; and (ii) is not related to you. A licensed medical practitioner will be considered a Doctor:

1. If applicable state law requires that such practitioners be recognized for the purposes of certification of disability; and

2. The care and treatment provided by the practitioner is within the scope of his or her license.

"Own Occupation" means the activity that you regularly perform and that serves as your source of income. It is not limited to the specific position you held with your Employer. It may be a similar activity that could be performed with your Employer or any other employer.

"Local Economy" means the geographic area surrounding your place of residence which offers reasonable employment opportunities. It is an area within which it would not be unreasonable for you to travel to secure employment. If you move from the place you resided on the date you became Disabled, we may look at both that former place of residence and your current place of residence to determine local economy.

**Work Incentive**

While you are Disabled, you are encouraged to work or participate in a Rehabilitation Program during your Elimination Period or while Monthly Benefits are being paid to you. Reimbursement for Eligible Family Care Expenses may also be available when you work or participate in an approved Rehabilitation Program while Disabled.

When you work while Disabled, you will receive the sum of the following amounts:

1. Your Monthly Benefit (including your Rehabilitation Incentive when applicable);

2. The amount of your earnings for working while Disabled; and
3. the amount of Family Care Expenses for which you are eligible.

During the 24 month period following your Elimination Period, your Monthly Benefit will be reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Predisability Earnings or Indexed Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 100% of your Predisability Earnings or Indexed Predisability Earnings.

After the 24 month period described above, your Monthly Benefit will be reduced by 50% of your earnings from working while Disabled. Your Monthly Benefit will be further reduced if the total amount you receive from the above sources and Other Income Benefits exceeds 100% of your Indexed Predisability Earnings. Your Monthly Benefit will be reduced by that portion of the amount you receive which exceeds 100% of your Indexed Predisability Earnings.

If your Monthly Benefit is reduced as a result of your receiving earnings from any work or service while Disabled, the Minimum Monthly Benefit will not apply.

Monthly Benefit payments will cease on the date you refuse to participate in a Rehabilitation Program in which we determine you are able to participate.

"Rehabilitation Program" means:

1. a return to active employment by you on either a part-time or full-time basis in an attempt to enable you to resume gainful employment or service in an occupation for which you are reasonably qualified taking into account your training, education, experience and past earnings; or

2. participating in vocational training or physical therapy. This must be deemed by one of our rehabilitation coordinators to be appropriate.
Rehabilitation Incentive

While Disabled, your Monthly Benefit, before reduction for Other Income Benefits, is increased by 10% when you participate in a Rehabilitation Program approved by us.

Family Care Expenses

This provision applies during the first 24 months following the date you have satisfied the Elimination Period.

While Disabled, when you work or participate in a Rehabilitation Program approved by us, you will be reimbursed for Eligible Family Care Expenses incurred with respect to each Eligible Family Member.

“Eligible Family Member” means a person who is:

1. living with you as part of your household; and
2. chiefly dependent on you for support.

“Eligible Family Care Expenses” mean the monthly expenses incurred by you in order for you to participate in a Rehabilitation Program, up to $250 for each Eligible Family Member. These are expenses incurred:

1. to provide child care with respect to an Eligible Family Member under age 13. Child care must be provided by a licensed child care facility or other qualified child care provider. The child care provider may not be a member of your immediate family or living in your residence.

2. to provide care to an Eligible Family Member who as a result of a mental or physical impairment, is incapable of caring for himself or herself. Family Care Expenses for services provided by a member of your immediate family or any one living in your residence will not be reimbursed.

Eligible Family Care Expenses do not include expenses for which you are eligible for reimbursement under any other group plan or from any other source.
You must provide satisfactory proof to us that you incurred such charges. You must give us proof that the Eligible Family Member is incapable of caring for himself or herself and is chiefly dependent on you for support. The proof must be satisfactory to us.

**Predisability Earnings**

“Predisability Earnings” means the amount of your gross salary or wages from your Employer as of the day before your Disability began. This is calculated on a monthly basis.

This may include contributions you make through a salary reduction agreement with your Employer to any of the following:

1. an Internal Revenue Code (IRC) Section 401(k), 403(b) or 457 deferred compensation arrangement;
2. an executive nonqualified deferred compensation arrangement; and
3. amounts contributed to your fringe benefits according to a salary reduction agreement under an IRC Section 125 plan.

Predisability Earnings do not include:

1. awards, commissions and/or bonuses;
2. overtime pay;
3. your Employer’s contributions on your behalf to any deferred compensation arrangement or pension plan; or
4. any other compensation.

If you do not have regular work hours, your Predisability Earnings are based on the average number of hours you worked per month during the preceding 12 calendar months (or during your period of employment if less than 12 months). In no event will the number of hours be more than 173 hours.
Indexed Predisability Earnings

Indexed Predisability Earnings means your Predisability Earnings increased by 7%.

The first increase will take place on the date the 13th Monthly Benefit is payable. Subsequent increases will take effect on each anniversary of the first increase. You must have been continually receiving Monthly Benefits under This Plan.

B. Reduction of Benefits - Other Income Benefits

Your Monthly Benefit is reduced by Other Income Benefits shown below. The Monthly Benefit payable to you:

1. will not be less than the amount shown in Plan Highlights under Minimum Monthly Benefit (except in the case of an Overpayment or while receiving work earnings);

2. will not be further reduced due to cost-of-living increases payable under Other Income Benefits after the correct reduction has been determined;

3. will not be reduced by any reasonable attorney fees included in any award or settlement; and

4. will not be reduced by any sources other than those shown below.

If you receive Other Income Benefits in a lump sum instead of in monthly payments, you must provide to us satisfactory proof of the breakdown of: (i) the amount attributable to lost income; and (ii) the time period for which the lump sum is applicable. If you do not provide this information to us, we may reduce your Monthly Benefit by an amount equal to the Monthly Benefit otherwise payable. We will reduce the Monthly Benefit each month until the lump sum has been exhausted. However, if we are given proof of the time period and amount attributable to lost income, we will make a retroactive adjustment.
List of Sources of Other Income Benefits

1. Federal Social Security Act, Railroad Retirement Act, Canada Pension Plan, or any provincial pension or disability plan, or the Canada Old Age Security Act

   a. benefits that you receive, are entitled to receive or would have been eligible to receive upon making timely application because of your disability or retirement will be counted; and

   b. benefits available with respect to your spouse and dependents (regardless of marital status or their place of residence) because of your disability or retirement will be counted. If you are divorced or legally separated, benefits paid directly to your dependents and not taken into constructive receipt by you will not be counted.

Estimating Social Security Benefits

We reserve the right to reduce your Monthly Benefit by estimating the Social Security disability benefits you may be eligible to receive.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits during the first 24 months of Monthly Benefit payments if, prior to the end of the 6 month period following the date you became disabled:

1. you provide proof that you have applied for Social Security disability benefits;

2. you have signed the Reimbursement Agreement which confirms that you will repay all Overpayments; and

3. you have signed the form authorizing the Social Security Administration to release information on awards directly to us.
If you have not received approval or final denial of your claim from the Social Security Administration by the end of this 24 month period, we will begin reducing your Monthly Benefit by an estimate of Social Security disability benefits. If you cannot satisfy the above limitation and you were covered under the plan that This Plan replaced at the time of transfer, benefits may be payable under This Plan. We will give consideration towards the continuous time you were covered under the prior plan and This Plan. If you then satisfy the above limitation, the maximum Monthly Benefit payable under This Plan will not exceed the lesser of: (i) the Maximum Benefit under This Plan; and (ii) the maximum benefit under the prior plan.

3. the prognosis of your Disability.
You will be required to provide signed authorization for us to obtain and release medical and financial information, and any other items we may reasonably require in support of your Disability.

These will include but are not limited to:

1. proof of continuing Disability;

**Method of Payment**

When we determine you are Disabled:

1. Monthly Benefits are paid one month after you qualify for them. Such benefits will be paid on a monthly basis thereafter.

3. Monthly Benefits due for a period of less than a month will be paid at a daily rate of 1/30th of the Monthly Benefit payable.

Right To Recover Overpayments

We have the right to recover from you any amount that we determine to be an Overpayment. You have the obligation to refund to us any such amount. Our rights and your obligations in this regard are also set forth in the reimbursement agreement you are required to sign when you become eligible for benefits under This Plan. This agreement: (i) confirms that you will repay all Overpayments; and (ii) authorizes us to obtain any information relating to Other Income Benefits.

An Overpayment occurs when we determine that the total amount paid by us on your claim is more than the total of the benefits due under This Plan. This includes any Overpayments resulting from:

1. retroactive awards received from sources shown in the List of Other Income Benefits;

2. fraud; or

3. any error we make in processing your claim.

The Overpayment equals the amount we paid in excess of the amount we should have paid under This Plan. In the case of a recovery from a source other than This Plan, our Overpayment recovery will not be more than the amount of the recovery.

You have the right to appeal any Overpayment recovery.
An Overpayment also occurs when payment is made by us that should have been made under another group plan. In that case, we may recover the payment from one or more of the following:

1. any other insurance company;
2. any other organization; or
3. any person to or for whom payment was made.

We may, at our option, recover the Overpayment by:

1. reducing or offsetting against any future benefits payable to you or your survivors;
2. stopping future benefit payments (including Minimum Benefits) which would otherwise be due under This Plan. Payments may continue when the Overpayment has been recovered; or
3. demanding an immediate refund of the Overpayment from you.

Incontestability of Coverage

This Plan cannot be declared invalid after it has been in force for 2 years. It can be declared invalid due to non-payment of premium.

No statement of health used by any person to get coverage can be used to declare coverage invalid if the person has been covered under This Plan for 2 years. In order to use a statement of health to deny coverage before the end of 2 years, it must have been signed by the person. A copy of the signed statement must be given to the person or the person's beneficiary.

Assignment

You may not assign your benefits. This means that you may not give or transfer your benefits to anyone else.

Workers' Compensation

This Plan is not in lieu of, and does not affect, any requirement for coverage by Workers' Compensation Insurance or any government mandated temporary disability income benefits law.

SPECIAL SERVICES

SOCIAL SECURITY ASSISTANCE PROGRAM

If you become Disabled MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your Employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability.

There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. **Avoids reduced retirement benefits**

   Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. **Medicare Protection**

   Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.
3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost of Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost of living increases awarded by Social Security. This is also true for any cost of living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

a. an error by Social Security in computing the initial amount;

b. a change in dependent status; or

c. your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost of living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you apply for Disability benefits, MetLife begins assisting you with the Social Security approval process.

1. Contact Prior to Application For Social Security Disability Benefits

Before you even apply for Social Security disability benefits. We will help you determine the best time to apply for Social
Security disability benefits. A MetLife Case Management Specialist begins assisting you with the application process at that time. The Specialist personally contacts you by phone to explain, in detail, how to apply for Social Security disability benefits and the advantages of doing this. We provide you with a list of items needed by Social Security in order to complete your claim.

2. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance upfront and help guide you through the application process.

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provide expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

a. Reconsideration by the Social Security Administration

b. Hearing before an Administrative Law Judge

c. Review by an Appeals Council established within the Social Security Administration in Washington, D.C.

d. A civil suit in Federal Court
4. **Social Security Attorneys and Vendors**

Depending on your individual needs, MetLife may provide a referral to an attorney or vendor who specializes in Social Security law. The cost for these attorneys is deducted from the amount you must repay to us if the retroactive Social Security disability benefits you later receive result in MetLife having paid more Disability benefits than we should have paid.

**EARLY INTERVENTION PROGRAM**

The MetLife Early Intervention Program is offered to all covered Employees, and your participation is voluntary. The program helps identify early those Employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability Benefits. Early rehabilitation efforts are more likely to reduce the length of your disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your Employer will notify MetLife. Our Rehabilitation Coordinators may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability Benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your *abilities*, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier*, workers’ compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).
Our assistance is offered at no cost to either you or your Employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your Employer is not necessary.

RETURN TO WORK PROGRAM

Goal of Rehabilitation

The goal of MetLife is to focus on Employees’ abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Vocational Rehabilitation Services

As a covered Employee you are automatically eligible to participate in our Return to Work Program. The Program focus is vocational rehabilitation, which means identifying the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities.

There is no additional cost to you for the services we provide, and
they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. **Vocational Analyses**
   
   Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. **Labor Market Surveys**
   
   Studies to find jobs available in your locale that would utilize your abilities and skills.

3. **Retraining Programs**
   
   Programs to facilitate return to your previous job, or to train you for a new job.

4. **On-Site Job Analyses**
   
   Analyses to determine what modifications may be made to maximize your employment opportunities.

5. **Job Modifications/Accommodations**
   
   Changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your Employer under the Americans With Disabilities Act (ADA).

6. **Training in Job Seeking Skills**
   
   Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.
Rehabilitation Staff

The Case Management Specialist handling your claim will begin the rehabilitation process. You may be referred to our professional Rehabilitation staff that includes Registered Nurses and vocational rehabilitation coordinators. Registered Nurses might address how your medical condition impacts your ability to return to work. Vocational rehabilitation coordinators will focus on identifying how your abilities can be best applied to either your previous job or a new job.

These rehabilitation specialists will contact you personally. They will coordinate their activities with your medical carrier and/or attending physician for a broad understanding of your diagnosis, prognosis, and expected return to work date.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor’s credentials, specialty, reputation, and experience.

When working with vendors, you and your Doctor still maintain control and direction of the case.
CLAIMS INFORMATION

Procedures for Presenting Claims for Benefits

All claim forms needed to file for benefits under the group insurance program can be obtained from the Employer who will also be ready to answer questions and to assist you or, if applicable, your beneficiary in filing claims. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

The completed claim form should be returned to the Employer who will certify that you are insured under the Plan and will then forward the claim form to MetLife.

When the claim has been processed, you or, if applicable, your beneficiary will be notified of the benefits paid. If any benefits have been denied, you or, if applicable, your beneficiary will receive a written explanation.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

Requesting a Review of Claims

Denied In Whole or In Part

In the event a claim has been denied in whole or in part, you or, if applicable, your beneficiary can request a review of your claim by MetLife. This request for review should be sent to Group Insurance Claims Review at the address of MetLife’s office which processed the claim within 60 days after you or, if applicable, your beneficiary received notice of denial of the claim. When requesting a review, please state the reason you or, if applicable, your beneficiary believe the claim was improperly denied and submit any data, questions or comments you or, if applicable, your beneficiary deems appropriate.

MetLife will re-evaluate all the information and you or, if applicable, your beneficiary will be informed of the decision in a timely manner.
