Welcome Back Students!

From all of us here at Intramurals-Recreation Sports Services we hope you had a great summer, but we are very glad to have you all back! We are looking forward to accommodating your sports and recreational needs on the field and courts this year.

It is our mission to provide a wide variety of recreational activities that will appeal to the leisure-time pursuits of the students, faculty, and staff. We encourage that participation be for fun, fitness, and friendship. We promote and honor individual and team sportsmanship. We provide the opportunity for students to compete against and interact with other students, thus promoting good citizenship and socialization. Student employees develop social and leadership skills that are essential for lifelong learning. The Intramural-Recreational Sports Services program is designed to be consistent with the educational objectives of Michigan Technological University.

Fall Registration begins on Monday, August 25th. Sign up for a team and/or individual sport on IMLeagues.com/MTU. If you are interested in the Two-Person Golf Scramble, please stop by the Intramural Office to sign-up for your team’s tee-time.

If there is a sport or competition that we do not offer, feel free to contact Craig Pellizzaro (crpelliz@mtu.edu) or Amber Leonard-Thome (alleonar@mtu.edu) with any ideas you would like to pass along.

I hope you take an opportunity to explore all that we have to offer.

Welcome back and good luck this semester!
NEW SPORT: Frisbockey

Frisbockey has been a popular sport here at Michigan Tech for a few years now. For the first time, Frisbockey will be ran through Intramural-Recreational Sports Services.

Registration will begin on Monday, August 25th, with the deadline on Monday, September 8th @ 12:00 pm. The season will start on Wednesday, September 10th. Players may play on one single gender team and one co-rec team. Each team will be guaranteed 3 games. There will be a single elimination tournament at the end of the regular season for the top teams to determine league champions.

If you are interest in officiating Frisbockey, please attend the Official’s Meeting/Clinic on Tuesday, September 9th at 5:30 pm. We’ll meet in the SDC Classroom 121 (Multi-Purpose room).

If you have any questions concerning Frisbockey, please contact Craig at 487-3040.
