Army ROTC Accomplishments:

In 2 years the program has increased enrollment by 56% to 70 Cadets, and the program will commission 14 officers this academic year.

The Washington Monthly recognized the ROTC programs at Michigan Tech as 7th in the nation for Cadet enrollment relative to the size of the University.

Six Cadets participated in the Cultural Understanding and Language Proficiency Program (CULP) in the following countries: Tanzania, Thailand, Bulgaria, Bosnia, Romania, and Lithuania.

A Cadet completed an Engineering Internship through the Department of the Army in Tulsa, OK.

Two Cadets attended Medical Cadet Troop Leader Training (CTLT) at Fort Lewis and Fort Benning and one Cadet attended CTLT with an infantry battalion at Fort Polk, LA.

Nine Cadets attended Cadet Leadership Course (CLC) at Fort Knox, KY.

One Cadet attended Northern Warfare School at Fort Wainwright, AK.

One Cadet attended Air Assault School at Fort Campbell, KY.
