Spatial Visualization | All engineering majors
3:45-4:45 PM
Fisher (15), Room 135
All engineering majors are required to take this test. You must bring the following with you to the test: your Michigan Tech User ID, your Michigan Tech Student ID number, and a number 2 pencil. To be enrolled in ENG1001 or ENG1101 you must either pass this test with a score above 60% or take ENG1002 – Introduction to Spatial Visualization in the same semester to fulfill the required prerequisite. If you are not enrolled in ENG1001 or ENG1101 this fall and you score 60% or below, it is recommended that you take ENG1002 this fall semester. If you pass this test, you meet the ENG1001/ENG 1101 course prerequisite requirement. In addition, passing this test with a score above 60% or successfully completing ENG1002 is also a prerequisite for ENG1102.

International Student Rights and Responsibilities | All international and exchange students
5:00-7:00 PM
MUB (34), Ballroom B2
International and exchange students studying in the United States must follow certain rules and regulations in order to legally stay in the country. This session gives an overview of the legal rights and responsibilities of students entering the United States with a Michigan Tech I-20 or DS2019 (including Canadian students).
